NOTE FOR: Director of Central Intelligence

FROM: Frederick P. Hitz  
Legislative Counsel

SUBJECT: Discussion with Senator Pell on the  
Department of State Authorization Bill

1. Attached as background for your discussion with Senator Pell to go over our concerns with H.R. 12598, the Foreign Relations Authorization legislation for FY 79, are copies of each of the following Talking Points Papers (these may be sent to the Senator or his staff):

*A* Amendments to the Role of the Ambassador Legislation  
(section 119 of the Senate bill)

*B* Amendments to the Case-Zablocki Act (section 501 of  
the Senate bill)

C. Changes to the Third Agency Rule vis-a-vis the foreign  
relations committees (section 108 of the Senate bill)

D. Suggested amendment to the "Science and Technology"  
title (Title V of the House bill)

2. In addition, you should be aware that, while the Administration is objecting to some of the proposed amendments to the Case-Zablocki Act (the oral agreements and prior approval provisions), Chairman Zablocki has requested--and we have drafted for him--suggested additional amendatory language that would make clear that intelligence activities are not intended to be covered by the amendments in section 501 of the Senate bill. This language is attached at Tab E.
